

RESEARCH LOG

For keeping track of sources you look at – it's like a table of contents for your documents, photocopies, printouts and note-taking forms

Name of person or family group

<i>If you need more space, attach additional sheets</i>
Page _____ of _____

Date of search	Description of source Author or creator, title, year, pages, URL, call number, etc.	Purpose of search What you were looking for	Results What you found out	Notes Do you have the original document or a copy in your file? Did you fill in a note-taking form? Any ideas for follow-up research?
